

Carle Regional EMS System

Policy: System Entry Requirements

Section: Operations

Purpose: To define the Carle Regional EMS System requirements for system entry as a licensed provider from another Illinois system.

Policy: Prior to functioning as a licensed EMS provider in the Carle Regional EMS System, the applicant seeking entry into the System must complete the following requirements.

Section I System Application

1. Submit a completed application to the Carle Regional EMS office along with copies of all required documentation based on your licensure level.

Section II Protocols

1. Obtain a copy of the Region Six protocols and care guidelines from the Carle Regional EMS office.

Section III System Entry Exam

1. Successfully pass the System entry exam with a minimum 80%. If an 80% is not achieved, a retest can be scheduled no sooner than one week after the initial System entry exam.

Section IV Procedure Skill Testing

1. Skills' testing is not required for the EMT-Basic level.
2. Advanced provider skills testing will be performed by appointment only. See skills testing outline for the skills that will be evaluated.
3. Skills testing is pass/fail
4. If the applicant fails, a retest can be scheduled no sooner than one week after the initial test.

Carle Regional EMS System

Policy: System Entry Requirements

Section: Operations

Section V Clinical Experience (*Advanced Providers Only*)

1. One 12 hour ambulance clinical sessions must be performed with a System approved preceptor.
2. The applicant will be responsible for managing ALL responses up to his/her licensure level for the clinical session.
3. An evaluation form will be provided to the applicant to have the preceptor fill out. It is the applicant's responsibility to provide this form to the preceptor.

Section VI EMS Medical Director (*Advanced Providers only*)

1. Once all other requirements are complete the applicant will be scheduled to meet with the EMS Medical Director.
2. The meeting with the medical director will be an evaluation of critical thinking abilities of the applicant.

Section VII System Clearance

1. Upon successful completion of the System entry process a letter of acceptance will be sent to the applicant and the employer of the applicant.
2. An applicant MAY NOT function in any capacity in the Carle Regional EMS System until all requirements are fulfilled and a letter of acceptance is sent to your employer.
